

1 The drawings have been amended as indicated by marked up drawing sheets titled
2 "Annotated Marked-Up Drawing Sheets." Clean replacement drawing sheets incorporating
3 the indicated amendments are also enclosed. Regarding the Examiner's comment about a
4 second mirror frame, the second frame differs from the first frame only in having a mirror with
5 a different magnification, and thus would be imperceptibly different from the first frame shown
6 in Figures 8-10.

7 The claims have been amended to eliminate informalities objected to by the
8 Examiner. The Examiner's indication that Claims 3-5, 8-10, 14 and 16-18 would
9 be allowable if rewritten in independent form including all of the limitations of the base claim
10 and any intervening claims is noted and appreciated. In response to that indication of
11 allowability, the claims have been amended as follows:

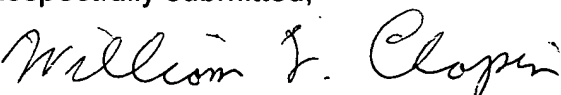

12 Independent Claim 1 has been amended to incorporate all of the limitations of
13 Claims 2 and 3, which depended from Claim 1, and Claims 2 and 3 have been canceled.

14 Independent Claim 12 has been amended to incorporate all of the limitations of
15 Claims 13 and 14, which depended from Claim 12, and Claims 13 and 14 have been
16 canceled.

17 New independent Claim 19 has been filed which incorporates all of the limitations
18 of Claims 12 and 16 as filed.

19 In view of the amendments referred to above, it is submitted that Claims 1, 4-12,
20 and 15-18, as well as new Claim 19, are now all in order for allowance. Therefore, early
21 notice of allowance of those claims, and prompt advancement of this application to issuance
22 are earnestly solicited.

23 Respectfully submitted,

24
